

Dear Parents,

Welcome back to Marguerite Christian School. We are happy to have you as part of our family. This year will be a new experience for your child, as they explore a new class, new friends, and new adventures.

A few suggestions for making your child's school year a little easier:

- Read through all the paperwork.
- The email that you gave with your registration will be the email we contact you with. If it needs to be changed, please contact us.
- Label all your child's jacket, bags, cups, etc...
- Leave all toys and distractions at home.
- Be on time. It can be emotional and stressful for a child to walk into a class late/last.
- Kiss them and tell them you will be back after school and then quickly leave. If your child is not good with drop off, lingering usually makes them cry longer.
- Trust us to nurture your child and work them through hard times. All kids are different and need different help.
- Please check your child's backpack daily and read all emails sent home!

Please feel free to call or email us with any questions or concerns. We are always here to help. Our phone number is 949-582-5856 and email is jacobs@mightylambs.org.

Many Blessings,

Jynette Jacobs

Health Refund Policy

COVID has changed the way schools are run. We have put in hours of work reconfiguring our school plans to make this a safe environment for your child, family, and staff. Due to this, we have changed our refund policy to fit with the current situation of the world.

If you choose to withdraw your child from our school, due to a Health-related incident, we will no longer issue refunds.

In the unlikely event that a classroom gets put on quarantine, for a health-related issue, we will have prepared 2 weeks' worth of work for your child to do at home.

If we get shut down, due to State or Federal Regulations, we have distant learning ready to go until we can return. We don't foresee this happening, but we are prepared in the event.

We are doing everything possible to keep learning at a high level with a safe environment.

Thank you for your understanding during these unprecedented times.

I have read and understand the Marguerite Christian School Health-related refund policy.
